### Directions to Kentucky Fair and Exposition Center

Located at the intersection of I-65 and the Waterson Expressway (I-264)

From the South, follow I-65 north to fairground signs

From the North, follow I-65 south to fairground signs

From the West, follow I-64 east to fairground signs

From the East, follow I-64 west or I-71 south to Waterson Expressway (I-264) to fairground signs

Dear friends,

Welcome to the 33rd Annual Kentucky Farm Bureau Beef Expo! This event is the place to be for producers looking to upgrade their herd genetics or youth seeking a project for the upcoming livestock show season.

The Beef Expo has enjoyed sales of more than \$1 million for six years in a row. It's a proud annual tradition in the leading beef cattle state east of the Mississippi River. And it takes place in one of the leading venues of its kind in the nation, the Kentucky Exposition Center, with 1.2 million square feet of enclosed, climate-controlled exhibition space.

Kentucky Department of Agriculture staff will be on hand to check the health papers of every animal that enters the fairgrounds and help run the shows and sales. If I or any of my staff can help you with anything, please don't hesitate to ask.

While you are in Louisville, we hope you'll take the time to dine in some of the dozens of restaurants that serve Kentucky Proud foods - delicious local foods grown, raised, processed and/or manufactured in the Commonwealth. Kentucky Proud is one of the leading state fair marketing programs in the country and a major driver of Louisville's nationally acclaimed local food scene.

Again, welcome, and best wishes on an enjoyable and successful Kentucky Farm Bureau Beef Expo.

Sincerely,

**RYAN QUARLES**  
Commissioner of Agriculture  
Commonwealth of Kentucky

Welcome to the 2019 Kentucky Farm Bureau Beef Expo

It's a pleasure to welcome each of you to the 2019 Kentucky Farm Bureau Beef Expo, an event that showcases some of the best cattle in the country, and something we are proud to be involved with for so many years as corporate sponsor.

For 100 years, Kentucky Farm Bureau has served as the "Voice of Kentucky Agriculture." A big part of our ag economy is related to our cattle industry and as we celebrate our Centennial this year, we continue to recognize the importance this sector plays in the overall tapestry of our agricultural landscape.

Kentucky's beef cattle industry has grown so much over the past two decades to the point of national prominence as the top beef cattle producing state east of the Mississippi and the eighth top state in the country.

But more than just cattle numbers, the industry is such an important sector in Kentucky's overall agricultural economy. With total farm gate receipts expected to hit the \$5.7 billion mark in 2018, the state's cattle industry represents about 13 percent of that total.

For those of you who have been to the Expo before, I don't have to tell you what an experience this is. For those of you coming for the first time, I hope you find the experience invaluable whether you are showing, selling or buying.

The Kentucky Farm Bureau Beef Expo has become one of the premiere events of its kind in this area and we are glad you are a part of it.

Sincerely,

**Mark Haney, President**

- He is the 2018 Kentucky State Fair Grand Champion Hereford Bull sired by the now famous Time Traveler! He was also the 2018 champion bull at our state show back in June and won several county fairs throughout the summer. This bull has so much potential and a very bright future ahead of him. No doubt he is one of the best we have ever raised and produced at Poppell Farms.
- It is with much thought and consideration that we have decided to offer the chance for someone else to purchase him and use for service in their own operation. At the same time, we still wish to retain some interest in him as well. Terms and conditions will be available day of sale. Please call us for any additional information prior to the sale.
- Consigned by Poppell Farms, Russell Springs, Ky.

- F6 is one of the first calves out of our new herd sire Waylon who was a 2-time division champion in Denver and very popular across the country. This bull is one of the reasons we were so excited about Waylon's future. F6 is a high growth bull that is extremely level and correct in his build. He is good headed, flat shouldered and really sound. Out of a really nice first calf heifer and he gets better every day.
- Consigned by Lucas Stumpf, Columbia, Ill.

- After picturing her, we are wondering if we should even be selling this heifer. She is out of our best first calf heifer and she couldn't have done much better on her first try. We love this heifer in terms of build and balance. She is good necked, flat shouldered and deep sided. She is really good structured and ties everything together really well. We think that this one will make a really nice show heifer and an even better cow.
- Consigned by Lucas Stumpf, Columbia, Ill.

- Phenotypically and genetically, Eban has all the makings of an elite herd sire. His pedigree combines two of the most noteworthy donors at the heart of the NJW program, 78P and 73S. Eban is big hipped, soft middle and clean fronted. This 2504 son has a fault-free structure and carries himself well on a big foot. 707 is conservatively marked with tremendous documentation. Balanced on the hoof on a paper, Eban appeals to the most discriminating cattleman.

- We think that Maui Babe has a very bright future in the showing, but more importantly, will make an outstanding cow when her show career is over. This beautifully marked heifer is out of one of our lead donors, who has been a very consistent producer. The dam of 8005 was the 2010 NAILE Grand Champion Cow-Calf Pair and has produced numerous champions, highlighted by the 2012 NAILE Reserve Champion Cow-Calf Pair and the 2017 Kentucky State Fair Grand Champion Female. Flush brother also sells.

- Ms Forget Me Not ties together our two most valued genetic pieces here at Gordon Cattle Co., GCC Captain and GCC Miley. Captain was the 2017 Kentucky State Fair Champion Hereford Bull and has gone on to stamp every calf that hits the ground. We couldn't be more pleased with the predictable quality that he is passing to the next generation. On the maternal side of the equation, Miley is a huge hipped, high performance, balanced numbered foundation donor that has helped shape our program and we will continue to utilize going forward. Forget Me Not is a summer born that has been keeping pace with her older contemporaries and sticks out for her stoutness and balance.
- Consigned by Gordon Cattle Co., Danville, Ky.

- We don't typically sell cattle that don't have the GCC prefix, but we are going to make a rare exception with Miss Sparkles as we are so very pleased with her 3-year-old dam that we acquired from Bar H Farm. She has done an exceptional job with this young calf and we look forward to the future with her. Packed with a powerful pedigree that is highly saturated with Sandhills bred cattle, there is no doubt this one is made for the long haul and milk and longevity will not be an issue.

- Ms Fireball is designed in an athletic, functional way that shows off her genetic injection of structural integrity and ideal angles. Fireball is a September born daughter of Full Throttle, the most talked about bull in the Hereford breed following the 2015 National Western Stock Show due to his "killer good looks and money-making mama." Full Throttle comes from a long line of banner hangers and a dam who has produced over \$500,000 in progeny. He was our first choice to flush our foundation donor by Purple Milsap. Miley brings low birth weight, above average growth and strong carcass numbers to the equation, all in a dynamic phenotypic package.
- Consigned by Gordon Cattle Co., Danville, Ky.

- Delilah is a daughter of Diversified who was recently named the 2018 World Beef Expo Supreme Champion Bull and is the current North American National Champion Bull. Her dam is a super Bailout daughter out of the famed JWR 172P cow and was our top selling cow in our Mature Cow Herd Dispersal Sale last fall. 2099 has produced several good ones, but Delilah just might be the best yet. If you're looking for a fall heifer to compete, be sure to look her up. She was too young to picture at catalog time, but watch for updates on our website and Facebook page closer to sale day.

• 8005 is a full brother to our Denver 2018 Division Champion Pen of 3 Bulls. His dam is becoming one of our top donor cows as everything she has produced has made way to the showing. Her last year's natural heifer calf was named the 2018 NAIL Louisville Junior Show Reserve Champion Heifer. Euchre is dark red and deep sided with a huge hip, lots of bone and stands on a good foot. He boasts a 1.4 BW EPD with a big spread to YW. Also, notice his excellent CE of 8.6, which ranks him in the top 10 percent of the breed. If you're looking for a low birth weight, calving ease bull without sacrificing performance and look, here's your bull!

• Now get yourself into championship polled and horned genetics! Willa's pedigree combines the great 90W cow, her mother's sister, a mainstay donor for Express Ranches that sold for \$60,000. 90W is also the dam of the great WPF Romalee, our 2015 American Royal Supreme and NAILE Grand Champion winner. Willa is out of Churchill Red Bull 200Z, providing the basis for many great cows and maternal legends behind him in his own right. The combo for this heifer shouldn't be missed!

- Here is a mating that has been very successful for us. This Bailout x Sooner mating has an impressive set of numbers. He will be a definite game changer in any pasture. Extreme soundness, extra shape and a ton of rib combine for the total package. If you are looking for a solid 2-year-old, be sure to look this one up on sale day.
- Consigned by Perry Farms, Tower Hill, Ill.

- In 876, we offer a powerful December show heifer prospect. She is an own daughter of the 2008 American Royal Champion Hereford Bull, LCC Back N Time ET. 876 is built from the ground up with massive foot and bone, loads of middle and top, tied together with a beautiful front end. 876's dam, 200S, goes back to a tremendous cow family from Red Hills Herefords in Clinton, Okla. Juniors, young and old alike, take notice on a fantastic show heifer prospect with a tremendous future as a brood cow down the road.
- Consigned by Hopper Herefords, Maysville, Ky.

- We are proud to offer 27F as our consignment in this year's sale offering. This April heifer is sleek and extended through her front third with tremendous depth and an exceptional hip and leg set underneath her. We feel 27F will be a tremendous show prospect, but also an exceptional breeding piece down the road. 27F's sire, 1363, is an outcross pedigree that has sired exceptional females that have been stamped with excellent feet and legs and loads of eye appeal that have sold this past fall for both the Behrends and Torrance families. This heifer stems from the great Reba cow family from Torrance Herefords in Media, Ill. This cow family is no stranger to success in the showing, including the likes of National Champions Reba 28H and her daughter, LCC Two Timin' 438. Be sure to study the EPD profile on this female before sale day. Bid in confidence on this tremendous April show heifer prospect! Dehorned.

- Maddie is a young June heifer that combines two great cow families in her pedigree. Her grandam U37 is what we are looking for in a cow with longevity and udder quality. This young female has all the right parts to grow into a front pasture cow.

• Consigned by Cottage Hill Farm, Petersburg, W.Va.

# Terms and Conditions

<b>Terms:</b>	Terms of the sale are cash. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes as to bids.
<b>Purchase:</b>	Each animal will be at the purchaser's risk as soon as sold and can be moved after settlement has been made. The animal can be left in the West Wing for 24 hours at the purchaser's risk of loss or injury.
<b>Health:</b>	All cattle will have health certificates that will enable them to be shipped to any state.
<b>Consignor's Responsibility:</b>	The seller is the responsible party for all representations made about his cattle. The management of the sale assumes no liability, legal or otherwise, but will endeavor to protect the interest of both the buyer and the seller.
<b>Changes:</b>	Changes in these conditions will be binding only when reduced to writing and signed by the seller, buyer or clerk of the sale. Verbal agreements result in misunderstanding and the above rule is made to avoid such. Any changes in breeding dates will be announced sale day. Announcements from the sale box take precedence over anything printed in this catalog.
<b>Papers:</b>	The certificates will be transferred to the buyer at the seller's expense. All calves born after the sale are to be registered by the purchaser. No AI certificates are furnished.
<b>Note:</b>	As the sale manager, Kentucky Hereford Association is only an agent for the seller and has no responsibilities other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the owners of the consigned cattle nor the Kentucky Hereford Association assumes liability, legal or otherwise, for any accidents which may occur.
